

METRO

Plastics Technologies, LLC

Uniform Program

Welcome to Metro Plastics! We want to help you promote our organization and be proud to work at this fantastic facility.

New hires that fall into the positions listed below are eligible for company provided apparel. After 30 days of employment with the company, you will receive a total of five company shirts. A new set of five shirts will be provided after an additional six months of employment.

Internal Advancement: Immediately qualify for company shirts. During the first six months, you will receive a total of five shirts. A new set of five shirts will be provided after an additional six months of employment.

Positions listed with an (*) shall have the option to discounted steel toed boots from Red Wing shoe supply. The employee will receive a \$150.00 credit towards steel toed shoes every 2 years.

If you should leave Metro Plastics within 6 months of purchasing steel-toed shoes through the company voucher program, you may be required to reimburse the company \$100 upon termination.
